

ENVIRONMENTAL CONTROL

For environmentally sensitized skin.

This treatment is for skin conditions that seem to have a reddish tinge and feel inflamed or even itchy. The Sakasti super soothing cleansing process removes impurities. Further the application of the Oatmeal masque instantly reduces the redness and calms the inflammation.

For : Face, Neck.

Session Duration: 60 minutes.

EYE RESCUE

For under eye dark circle, puffiness, stressed eyes.

This treatment is designed with a unique blend of vitamin therapies and botanical mixtures which firm, tone and revitalize tired eyes. The gentle exfoliation further removes dulling debris, while the application of the super soothing masque helps to relax.

For : Eyes.

Session Duration: 45 minutes.

LIPS BLOSSOM

For reduction of fine lines & Pigmentation.

This is an unique Sakasti treatment designed for lips, the most ignored part of the body. This treatment starts with cleansing followed by a very mild exfoliation. The Laser Genesis further takes care of the fine lines around the lips and stimulates collagen, bestowing on the lips an instant fuller look ending with a hydrating masque.

For : Lips

Session Duration: 40 minutes.

MICRO-DERMABRASION

Skin polishing

This treatment reduces fine lines, age spots, uneven pigmentation and Acne scars. It helps stimulate blood circulation and cell renewal resulting in better skin tone.

For: Face, Neck, Hands, Back.

PEELS

AHA/BHA treatments

Peels slough off dead cells from the surface layer. It helps in deep pore cleansing, reducing Acne, Acne scar and pigmentation. Peels enhances the elasticity and firmness of the skin by stimulating elastin and collagen production.

For: Face, Neck, Hands, Back.
